Re: Label claims made for nutritional product

August 23, 2001

Ladies/Gentleman:

This letter notifies the Food and Drug Administration that within the past 30 days our company has begun to market Enhance Rx™ [Dietary] Supplement, with the following statement of nutritional support included on the label and in labeling for the product:

“Enhance Rx™ helps maintain a healthy sex life by supporting healthy hormone and energy levels, blood flow, and sexual desire and enjoyment.

The dietary ingredients of the product that are the subject of the above statement are: muira puama root extract, L-arginine, ashwagandha root extract, ginkgo biloba leaf extract, oat straw concentrate, damiana leaf extract, mucuna puriens seed extract, tribulus terrestris fruit extract, Korean ginseng root extract, horny goat weed aerial parts, catuaba bark, and Siberian ginseng root extract.

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement is truthful and not misleading.

Very truly yours,

Body Wise International
